

1400 quizzes available for the Airbus A320

5 July 2024

We have just passed the milestone of [1,400 quizzes available for the Airbus A320](#) (all types combined). We would like to thank all our users for their very detailed feedback, which has helped us to offer a quality service that will enable pilots to improve their knowledge and their expertise in the long term. We are working on the production of new quizzes on good knowledge of the FCTM and Abnormal / Emergency procedures as published by Airbus.
